*Archdiocese of Montreal*

**Garth Green**  
*Associate Professor of Philosophy of Religion & Philosophical Theology*

**Douglas Farrow**  
*Professor of Christian Thought*

A panel discussion on

**Thursday, February 9**

**7:00 p.m.**

**Newman Centre**

3484 Peel Street, Montreal

*"In Ascension Theology, Douglas Farrow tackles the fundamental question of political theology: How does the risen and ascended Christ exercise his life-giving lordship? Farrow's answer, developed out of a rich biblical and patristic background, provides strikingly fresh and accessible insights into ecclesiology, sacramental theology, Mariology, and the ongoing Christian engagement with modern culture. The theological passion is infectious." – R. R. Reno, Editor, First Things*

*Refreshments will be served. Sponsored by the McGill Newman Centre. For more information:
